General Information

For the safety of our guests and animals, our weight limit is 225 lbs. for all rides, with some rides offered up to 250 lbs. and our minimum age to ride is 7 years old. Younger children can ride under wrangler supervision in the corral. We have many animals at the ranch, so we're sorry we can't accommodate yours.

Clothing

You will need jeans or pants for horseback riding and similar activities, and beachwear for whitewater rafting and tubing. Summer days are usually warm to hot, with evenings cooler. Shoes should be heeled for riding, and for water activities, sandals or water shoes.

Cattle Drive Team Penning

Each week during the year, we do cattle drives with our guests. We move the cattle about 1 mile and then back. You can also participate in Team Penning, which is a game where each team tries to pen 3 cows the quickest. This is our most popular activity.

Other Activities

Our packages include all horseback riding as well as rafting, tubing, hiking, and fishing. If you want to go to other local attractions, we can assist you with directions.

There are several golf courses within an hour's driving distance.

Airport Pickups Returns

Knoxville, Tennessee is the most convenient airport and we can pick you up with prior notice for a small charge. Advanced reservations required.

Business Retreats, Conferences Groups

Let us work out a special package for a business seminar, conference, or family reunion. We can accommodate up to 44 guests and our lodge is big enough to hold any type of function.

Our Commitment

Our pledge is to give you a vacation that you will remember for a lifetime. Our staff as well as our horses, are tuned into making this a reality for you and your family. A 15% gratuity is standard, and much appreciated by our hardworking staff.
